

WIRELESS SCREEN SHARE

This document will provide you with some basic steps on how to use Solstice wireless screen sharing for classroom collaborations. **Should you need help or more information contact the help desk via email at helpdesk@clarku.edu or call 508-793-7745.**

TURNING ON THE SCREEN SHARE

Step	Action	
1.	From the classroom podium's control panel, select "SCRN SHARE".	
2.	<p>The screen share "pod" will now appear on the primary display.</p> <p>The room identifier will be in the upper left corner.</p> <p>Instructions for how to connect to the pod will be in the upper right corner.</p> <p>Collaborators can connect using their mobile device or by going to the URL on the screen and downloading the app.</p>	

DOWNLOADING THE SOLSTICE CLIENT TO YOUR DEVICE

Step	Action	
1.	<p>PC/Mac - Open a web browser and go to the URL listed in the upper-right corner of the Solstice Pod's welcome screen. The page that loads will include a download link for the Solstice client.</p> <p>Mobile devices - Open a web browser on your device and go to the URL listed in the upper-right corner of the Solstice Pod's welcome screen; you will be redirected to the appropriate mobile store to install the Solstice app.</p>	

CONNECTING TO SOLSTICE

Step	Action	
1.	<p>Open the Solstice client.</p> <p>On first use, you will be prompted to enter your name. This helps distinguish your content while collaborating with others.</p> <p>Mac users will be prompted to grant additional permissions in the Security preference pane.</p>	

<p>2.</p>	<p>The primary classroom display will display a 4-digit code.</p> <p>If another user is already sharing, this code may be displayed in the bottom left corner of the screen.</p>	
<p>3.</p>	<p>Enter the 4-digit code on your device and click Connect.</p>	
<p>4.</p>	<p>Choose a sharing method. You can share your entire desktop, an open application window, or stream a media file directly from your hard drive. Full audio sharing support is provided for sharing Desktop or a Media File.</p> <p>For iOS users: Mirror your screen under iOS, click Mirror Screen. Follow the instructions to enable Airplay on your device and toggle Mirroring on.</p>	
<p>5.</p>	<p>You can change what you want to share and stop sharing by clicking on the button at the top of your share screen.</p>
